TEAM MESSAGE

WELCOME TO PALADIN FITNESS RACE!

FOUNDED IN BRISBANE IN 2024, PALADIN FITNESS RACE WAS CREATED WITH ONE MISSION IN MIND: TO BRING THE THRILL OF FITNESS RACING TO THE EVERYDAY ATHLETE.

Lead by founder Sam Seaton, who brings over 20 years of experience in the fitness industry, Paladin Fitness is all about inclusivity, fun, and challenging yourself. We believe in breaking down the barriers that often hold people back from participating in fitness events, because everyone deserves to feel the rush of pushing past limits and achieving something great.

Paladin will not only test your strength and endurance; it will also challenge your mental resilience.

We've built a space where all fitness levels are welcome, where encouragement flows freely, and where every participant feels like part of something bigger. Community is at the heart of everything we do, uniting people through shared goals, camaraderie, and the pure joy of moving together. RESPECT THE JUDGES AND RACE CREW. Our team are here to make sure the event runs smoothly. We are dedicated to making this an epic day for everyone involved. Should you have any concerns about the workouts, judging, etc, on the day, please speak to your judge or head judge in a calm and respectful way.

Please listen out for any directions, instructions, or corrections on the day. If your station judge deems the movement not being performed correctly, they will verbally explain this to you.

If not corrected, they will physically show you. And on the third warning, if still not corrected, it is up to the judge's discretion to ask you to stop the movement for a 30-second penalty.

RACE RESULTS: We are proud to be partnering with the TIMING WIZARDS, leaders in electronic timing systems across many sporting events. Your results will be live post-race.
